Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir or Madam:

With regard to the Notice of Allowability issued in the present matter, the undersigned submits herein a statement commenting on the reasons for allowance and respectfully requests that such statement be made of record.

THIS COMMUNICATION IS BEING
ELECTRONICALLY FILED VIA EFS 2/28/2007

Allowance of Claims

As an initial matter, the undersigned would like to thank the Examiner for the Examiner's thorough review of the above-captioned application and the allowance of claims 7-9, 11-15, and 17-29 (to be renumbered as claims 1-21) in the Notice of Allowability, mailed December 5, 2006.

Statement Commenting on the Reasons for Allowance

The Examiner, in the Examiner's statement of reasons for allowance (as contained within the previous Notice Allowability, mailed June 27, 2006), may have referenced paraphrased limitations from the allowed claims, particularly in the discussion of the limitations of claim 7.

To clarify the record for anyone who may later view the file wrapper in this application, the undersigned would like to emphasize that each claim should not be construed to include the limitations listed by the Examiner in the reasons for allowance. Rather, each claim should be construed to include only those limitations explicitly recited in the language of the claim.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
